Dear Chris,

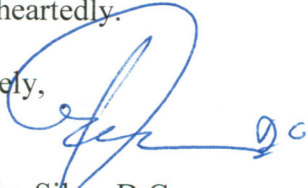

I want to thank you for all the work you and your staff have done on our new office space. It looks better than I had even imagined it. The specialty drywall and framing changes we desired were flawlessly executed, not to mention the paint and flooring looks amazing! It's great to know I have a contractor who will not only complete the work as scheduled but cheerfully and quickly as well.

Thanks as well for the help during the move and relocation of equipment.

As my business grows I intend to utilize your expertise to expand and refine my office space. My wife is also getting her "honey do" list together so watch out!

Once again thanks for all your help and please if you ever need a reference, you have mine wholeheartedly.

Sincerely,

Dr. John Silva, D.C.
